## List of Main Operation Instructions and Regulations

### 1. Instructions and regulations:

- No. 002 – Railway Technical Operation Regulation, edition 2001;
- GD no. 117/2010 - Regulation on Investigating Railway Accidents and Incidents and Developing and Improving Safety on the Romanian Railway and Subway Network, edition 2010;
- No. 004 - Signalling Regulation no. 004, edition 2006;
- No. 005 - Regulation on Train Traffic and Railway Vehicle Shunting, edition 2005;
- No. 5E - Regulation on Train Traffic and Railway Vehicle Shunting on the Traffic Section Oravita - Anina, edition 2004;
- No. 006 - Hauling and braking Regulation, edition 2005;
- No. 099 - Instructions on Train Traffic Scheduling and Technical Operational Analysis, edition 2005;
- No. 105 – Traffic Regulator Operation, edition 1955;
- No. 114 – Instruction on Preparing and Processing Railway Job Telegrams within the Romanian Railway Company, edition 1999, supplemented by means of the Note no. 1/2653/2002, published in the Official Leaflet no. 6/2002;
- No. 115 – Instructions on Calculating the Capacity of Stations and Traffic Sections, edition 2001;
- No. 328 – Instructions on Approving and Dispatching Exceptional Transports on the Public Railway Infrastructure, edition 2008;
- No. 632 – Instruction on Operating Intervention Means, edition 2000;
- No. 271 – Instruction on Remedying Wagon Faults and Damages, edition 2003;
- No. 311 – Instructions on Preventing and Removing Snow Blockages on the Railway Lines, edition 2004;
- No. 312 – Instructions on Preventing and Abating Floods and Fighting against the Action of Ice, edition 2001;

	The National Railway Company "CFR" SA	<b>CFR Network Statement  2019</b>	July 12, 2018 Version 7.4
Country: România		<b>Annex 7</b>	Page: 2

- No. 317 – Instruction on Speed Restrictions, Line Closing and Voltage Stops, edition 2004;
- No. 322 - Use of RTF Appliances, edition 1978;
- No. 335 – Instructions on Operating Intervention Trains

The National Railway Company "CFR" SA, Country: Romania, April 01, 2017, Version 7.0, Page: 2  
CFR Network Statement, Annex 7

- Instructions on Editing, Distributing and Using BAR - Department for Traffic Safety Control No. 41/5/1975;
- Traffic Directorate no. 11/1/85/2002 – Instructions on the Traffic and Running of Trains Specialized in Long Rail Transport – LRT, Type ROBEL 40.61;
- OMTCT no. 1718/2005 – Traffic and Operation of MSM Machines;

## **2. Orders:**

- no. 580/1971 – Measures on Improving Traffic Safety;
- no. 855/1986 - Measures on Improving Discipline;
- no. 447/2003 – on approving the Instructions on the Medical and Psychological Examination of Transport Personnel with Responsibilities related to Traffic Safety and Navigation, as well as on Organising, Functioning and Competence of the Medical and Psychological Traffic Safety Commissions;
- no. 5/1994 – Delays of Passenger Trains (Official Leaflet no. 9/1994);
- no. 9/1994 – Improvement of Discipline in the SNCFR Units;
- Traction General Directorate no. 310/1/441/1993 – Regulation on Simplified Driving of Locomotives;
- Traction General Directorate no. 64/1994 – Tasks of Traffic Regulator Operators and Traffic Managers regarding Speed Restrictions;
- Traffic General Directorate Tlg. No. 44/02.11.1994 – Transmission of the Speed Restrictions for the IC Trains;
- Order of MTTC no. 12/1980;

	The National Railway Company "CFR" SA	<b>CFR Network Statement  2019</b>	July 12, 2018 Version 7.4
Country: România	<b>Annex 7</b>		Page: 3

- no. 1634/1983 – Modality of Approving Emergency Braking;
- 25A/206/1975 DTV – Traffic of Transposed SZD Wagons, supplemented by the document of the General Department for Traffic Safety Control no. 26a/FN/1985;
- OMT no. 650 – Measures on Event Investigation and Control by AFER (Official Leaflet no. 11/1998);
- Law no. 786/2005 – Emergency Situations and Fire Fighting;
- Order of the Minister of Internal Affairs no. 775/1998 – General Norms on Fire Prevention and Fighting;
- Ordinance no. 39/2000 – Methodology for Identifying and Sanctioning Contraventions related to the Railway Transport Operations/Jan. 2000, the Law no. 200/2003 – on identifying and sanctioning contraventions related to the railway transport operations;
- OMT no. 19/10.01.2001 – Modality of Supplying Information to the Employees of CNCF „CFR” SA;
- Infrastructure General Directorate no. 114/4/2674/1998 – Working Modality of Organising Biannual Inspections of Electrical Devices and Checks of Toggle Joints and Hidden Parts of Switches and Points;
- OMTI no. 815/2010 – Norms on implementing and developing the system for maintaining the professional competences of the personnel with responsibilities related to traffic safety and of other categories of personnel carrying out specific activities related to the transport operations on the Romanian railway lines, and The National Railway Company “CFR” SA, Country: Romania, April 01, 2017, Version 7.0, Page: 3, CFR Network Statement, Annex 7 on updating the list of the traffic safety positions held by persons who regularly get trained, qualified, further trained and examined professionally within CENAFER;
- OMTCT no. 2262/2005 – on licensing the personnel with responsibilities related to traffic safety that are to carry out on their own liability activities specific to the railway transport;
- OMT no. 535/2007 – on approving the Norms on Awarding Railway Transport Licenses and Safety Certificates for Supplying Railway Services on the Romanian Railway Network.

### 3. Decisions :

- no. 140/1997 – Measures on Improving the Training and Checking Activities (Official Leaflet no. 18/97) – the relevant parts;
- no. 56/05.11.2003 – on organizing and carrying out the control activity within CFR SA ;
- no. 13/26.11.1998 – on informing the passengers;
- Traffic Safety Control Department no. 4/1a/18/1999 – on changing the indications of the signals in front of the trains;
- no. 44/24.08.1999 – on organizing the environmental protection within CFR SA;
- no. 5/16.02.2000 - on optimizing the railway traffic coordination activity;
- no. 22/19.06.2000 – on transporting crushed stone with specialized wagons of the Faccpps Series;
- no. 23/10.07.2000 – on using the Traffic Regulator Systems for transmitting RVS data;
- no. 24/20.07.2000 – on the modality of endorsing the railway events and the deficiencies on the railway infrastructure;
- no. 26/07.08.2000 – on bearing the job uniform;
- no. 30/19.09.2000 – on ensuring cleanliness and order in the subunits of CFRSA;
- no. 37/29.11.2000 – on increasing the comfort degree of the passengers and improving the aspect of the railway stations;
- no. 11/21.05.2001 – on the procedure for maintaining, repairing and endorsing the defects of mechanical barriers in stations and on the current line (Official Leaflet no. 7/2001);
- no. 17/26.06.2001 – on improving traffic safety;
- no. 22/11.09.2001 – on endorsing the delays generated in the passenger train traffic;
- Traffic Directorate no. 11/697/2001 – Examination of the personnel with the help of the breath alcohol tester;

### 4. Other instructions and regulations, legislation:

- Law for approving the GO no. 7/2005 on approving the Romanian Railway Transport

	The National Railway Company "CFR" SA	<b>CFR Network Statement  2019</b>	July 12, 2018 Version 7.4
Country: România	<b>Annex 7</b>		Page: 5

Regulation;

– Labour Code (Law no. 53/2003);

The National Railway Company "CFR" SA Country: Romania April 01, 2017 Version 7.0 Page: 4 CFR Network Statement Annex 7

- Disciplinary Status of the Personnel of the Transport Units (Decree no. 360/1976);
- Collective Work Contract in force;
- Instructions on the automatic speed control and INDUSI stopping systems;
- Action Plan for Removing the Effects of Snow Blockages;
- Rail Service Books in force, order for enforcing the timetable plan;
- station technical operation plan (TOP) (with their annexes);
- specific local regulations (border agreements, instructions on electronic interlocking systems, instructions on the operation of the IRIS system, ferry-boat regulation, transpositions, dispatcher, etc.);
- Law no. 319/2006 – work safety and health (the relevant parts);
- Specific Norms on Railway Work Safety No. 107, edition 2000;
- Own instructions on work protection related to the activity on the railway infrastructure, edition 2004;
- Law no. 307/2006 – law on fire fighting;
- Order of MTTc no. 17/1984 – Norms on Work Hygiene and First-Aid;
- Guide for Using Hand Shoes on the CFR Network (the Bucharest Institute for Technological Transport Research and Design – ICPTT no. 4855/1981);
- GO no. 60/2004 – regarding the regulations on building, maintaining, repairing and operating the railway lines, other than those managed by CNCF "CFR" SA;
- Law no. 402/2004 for approving the GO no. 60/2004 regarding the regulations on building, maintaining, repairing and operating the railway lines, other than those managed by CNCF "CFR" SA;
- GD no. 2299/2004 – Decision for approving the methodological norms on enforcing the provisions of the Government Ordinance no. 60/2004 regarding the regulations

	The National Railway Company "CFR" SA	<b>CFR Network Statement  2019</b>	July 12, 2018 Version 7.4
Country: România	<b>Annex 7</b>		Page: 6

on building, maintaining, repairing and operating the railway lines, other than those managed by CNCF "CFR" SA;

- Regular Traffic Safety Training Materials;
- Notions regarding the organisational chart of CFR SA, railway geography;
- OMT no. 340/1999 – on awarding the authorization for technical functioning for the railway stations in operation upon construction, repair or modernization (Official Leaflet no. 7/1999);
- OMT no. 342/1999 – Technical authorization of railway vehicles;
- OMT no. 343/2003 – with its further supplements;
- Law no. 289/2005 regarding some measures for preventing and fighting the crime phenomenon in the filed of railway transport;
- OMT no. 53/16.01.2001 – Measures on preventing thefts, scrapping and damages of goods, systems and machines in the railway units;
- Common internal emergency plan for the transport of dangerous goods in the marshalling yards no. 1/9218/2004.
- Order no. 17/2001 – measures on improving traffic safety;
- OMT no. 535/2007 – for approving the Norms on Awarding Railway Transport Licenses and Safety Certificates for Supplying Railway Services on the Romanian Railway Network, amended and supplemented by means of the OMTI no. 884/2011 and the OMTI no. 2179/2012.
