

The map shows a section of the Mureș River and the Lunca Mureșului area. A red line, representing the proposed route for the Podet C3 project, runs vertically through the center of the map. Key locations and features include:

- Podet C3**: Located at km pr. 476+534.75, marked with a red box.
- km 476**, **km 477**, **km 478**, and **km 479**: Marked along the red line.
- Sîntu Lăzăr**: A village located to the right of the red line.
- Mureș River**: A large blue river flowing from the top left towards the bottom left.
- Lunca Mureșului**: A large area of land to the left of the river, marked with orange contour lines.
- Dei**: A village located to the right of the red line, near the bottom.
- Podet C3**: A project name located near the top right of the map.

The map is a detailed topographic representation of the Sîntu Lăzăr region. It features the Mureș River flowing through the landscape, with several tributaries and smaller water bodies. The terrain is characterized by rolling hills and valleys, with contour lines indicating elevation. Key settlements include Sîntu Lăzăr, Lunca Mureșului, and various smaller villages. A red line, likely representing a proposed infrastructure project, runs through the area. Along this line, four specific points are marked with red text: 'km 476', 'km 477', 'km 478', and 'km 479'. A red rectangular box highlights a point labeled 'PODET C3 km pr. 476+534.75', which is located near the intersection of the red line and a road. The map also shows various roads, railways, and other geographical features.
