EUROPEAN COMMISSION TAIEX-REGIO PEER-2-PEER: Study visit on the management of railway infrastructure projects under ESI Funds

In the period 19-23 of June 2017, in Warsaw, Poland an event organized and financed by the *European Commission Directorate General REGIO and NEAR TAIEX Peer-2-Peer Unit* took place with the collaboration of *CNCF CFR-SA (Romania)* and *PKP PLK-SA (Polonia)*.

The aim of event was to increase the inter-institutional capacity of the railway infrastructure manager from *Romania - CNCF CFR-SA* by organizing a study visit at the headquarters of the railway infrastructure manager from *Poland - PKP PLK-SA*.

PKP PLK-SA experts have provided guidance on the management and monitoring of financial instruments in the ESIF programs for the transport sector and have presented the successfully implemented railway projects within the trans-European transport network TEN-T program. Several field visits took place at completed or under-executed railway investment objectives funded by national or EU grants/ subsidies.

The Agenda of the Study visit is available on the European Commission official page <https://webgate.ec.europa.eu/TMSWebRestrict/resources/js/app/tmsweb/library/detail/63232>.

The Study Visit will be followed-up by *PKP PLK-SA* expert's mission at the headquarters CFR-SA.
