Braşov - Apaţa and 3. Caţa - Sighişoara "

On January 13, 2018, the National Railway Company "CFR" S.A. has launched the public procurement procedure of services contract „Consultancy in works contract management and building, plant and equipment works’ supervision related to the project "Rehabilitation of the railway line Braşov - Simeria, part of the Rhine - Danube Corridor, for the maximum speed of 160 km/h, section Braşov - Sighişoara, subsections: 1. Braşov - Apaţa and 3. Caţa - Sighişoara "".

The tender announcement no. 182001/13.01.2018 is publicised on SEAP (www.e-licitatie.ro) and on OJEU (www.ted.europa.eu) with no. S 010-019807/16.01.2018.

The services contract procurement will be realized through an open procedure. Time limit for receipt of tenders or request to participate is on 20.02.2018.

The contract award criterion is „the best quality-price ratio” according to the established weights: the tender price, with a 40% quota, and the technical score, with a 60% quota.

The estimated value of the services contract is 28,170,000.00 Lei (excluding VAT). The contract payments will be provided by the European Grant Agreement under the Connecting Europe Facility (CEF) - Transport Sector - Agreement No INEA / CEF / TRAN / M 2014 / 1042049 - contract signed on 24.11.2015) and from the State Budget.

The contract implementation period is 111 months.

Project co-financed by the European Union’s Connecting Europe Facility (CEF)
