

Press Release

09 June 2020

The winner designated in the public procurement procedure for the services contract *"Feasibility study for upgrading the Predeal - Braşov railway section"*

On June 4, 2020 the National Railway Company CFR S.A. appointed *the Association Egis Romania - Egis Rail SA - Italrom Inginerie International SRL* as the winner tenderer within the public procurement procedure for the elaboration of the feasibility study necessary for upgrading the Predeal - Braşov railway section (26.9 km), with a financial offer of RON 14,199,246 (excluding VAT). The estimated value of the service contract was RON 19,501,722.00 (excluding VAT).

Within the feasibility study, the provider will analyze and establish the optimal solution for modernizing the railway infrastructure, also will prepare the necessary documentation to obtain approvals and agreements requested in this phase, together with the tender documentation for design and execution, as well as for the supervision of the design and execution of the construction works.

Payments for the project are provided from the Cohesion Fund (85%) through the Connecting Europe Facility and from the Romanian state budget, for the period 2014-2020, according to the Financing Agreement no. INEA / EFC / TRAN / M2016 / 1365811. The term for drawing up the feasibility study is 23 months from the date of start order of the services.

The beneficiary of the contract is the National Railway Company "CFR" S.A.

Project co-financed by the Connecting Europe Facility (CEF) of the European Union
