31.08.2020

Signing of sectoral services contract for

"Feasibility study for upgrading the Predeal - Braşov railway section"

National Railway Company "CFR"-S.A. and the Association Egis Romania S.A. - Egis Rail S.A. - Italrom Inginerie International S.R.L. signed, on 21.08.2020, the sectoral contract for services for the elaboration of the "Feasibility study for upgrading the Predeal - Braşov railway section" (26.9 km).

Within the feasibility study, the provider will analyze and establish the optimal solution for modernizing the railway infrastructure, also will prepare the necessary documentation to obtain approvals and agreements requested in this phase, together with the tender documentation for design and execution, as well as for the supervision of the design and execution of the construction works.

The value of the service contract is 14,199,246 RON excluding VAT, to which VAT is added according to the legal provisions. The period of the implementation of the contract is 23 months from the issuing date of the starting order of the services.

Payments for the project are provided from the Cohesion Fund (85%) through the Connecting Europe Facility and from the Romanian state budget, for the period 2014-2020, according to the Financing Agreement no. INEA/CEF/TRAN/M2016/1365811/26.10.2017.

The contract was awarded following an open invitation to tender, published in Electronical Public Procurement System (SEAP).

The beneficiary of the contract is the National Railway Company "CFR"-S.A.

Project co-financed by the Connecting Europe Facility (CEF) of the European Union
